The Director of Central Intelligence

Washington, D. C. 20505

11 NOV 1983

The Honorable Barry M. Goldwater  
Chairman, Select Committee on Intelligence  
United States Senate  
Washington, D. C. 20510

Dear Mr. Chairman:

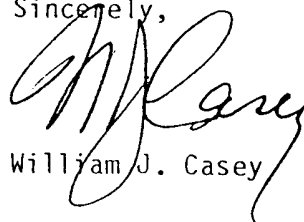

As requested in the classified Annex of your Committee's FY-1984 Budget, I am forwarding you two reports on "multidisciplinary counterintelligence analysis." One was prepared by the Community Counterintelligence Staff, based on input from individual Community components. The other was written by a four-man Commission established at your direction to get additional input, which was chaired by Mr. John Bross.

I hope that you will be gratified, as I was, to note that both reflect that marked progress has been made in the last three years in the important areas covered by the term "multidisciplinary counterintelligence analysis." To continue this trend and ensure we have an aggressive program meeting our country's needs, I plan to carefully consider both reports and take whatever steps might further enhance our efforts. You will see that the two reports differ somewhat on suggested improvements and on the need for further organizational steps. I am deliberating on some further improvements and will keep you advised.

This letter is also being sent to Senator Moynihan.

Sincerely,

William J. Casey
